**Connect to the rest of Canada with your bags checked through – only on Air Canada to Air Canada connections**  
 With our International to Domestic (ITD) connection service, customers do not need to reclaim their checked baggage if they are traveling from Hong Kong connecting through Vancouver to an onward Air Canada service to other destinations within Canada. Your bag will be checked to the final destination when you check in at Hong Kong International Airport.

**A seamless airport experience with In-Transit Pre-clearance (ITPC) when traveling to the U.S.**

Customers arriving in Vancouver with a connection to the U.S. can proceed directly from their arriving flight to the ITPC area which offers customers departing directly to a US destination the ability to clear U.S. Customs while still in Canada. Moreover, customers do not need to reclaim their checked baggage whilst in transit in Vancouver.

**More options to Canada and beyond**

With both of our morning and evening departures, customers can connect seamlessly to over 100 destinations in Canada and the U.S.

Departure	Destinations in Canada	Destinations in the U.S. and Mexico
Vancouver (YVR)	Calgary (YYC)	Denver (DEN)
	Edmonton (YEG)	Los Angeles (LAX)
	Halifax (YHZ)	Miami (MIA)
	Montreal (YUL)	Newark (EWR)
	Ottawa (YOW)	Portland (PDX)
	Toronto (YYZ)	San Diego (SAN)
	Victoria (YYJ)	San Francisco (SFO)
	Whitehorse (YXY)	Seattle (SEA)
	Winnipeg (YWG)	Cancun (CAN)
	Yellowknife (YZF)	Mexico City (MEX)

**Take a break from the crowds to relax and recharge**

Air Canada Signature Class customers departing on Air Canada flights are invited to the Singapore Airlines SilverKris lounge at Hong Kong International Airport. The lounge is located at Terminal 1, in the Main Departure Hall Level 6, near Gate 5. Opening hours are 06:15 to 00:00 daily (*Opening hours are subject to change without prior notice*).

**Free texting for Aeroplan members**

Aeroplan members have even more ways to stay connected onboard. We've expanded the apps supported by our free in-flight texting feature to include Apple's iMessage, Meta's Messenger and WhatsApp, Messages by Google, WeChat, LINE, KakaoTalk, Telegram, Tencent QQ, and Rakuten's Viber.
